

AUSTINS OVER AUSTRALIA 2009

PERTH, WESTERN AUSTRALIA

Thursday April 9th to Monday April 12th

Newsletter #3, December 2007

Hello, once again, from the West, from the far side , from over the ditch, or from Down Under, we bring you Greetings.

In this, our 3rd Newsletter, we are just sending you a little more information to bring you up to date with our endeavours.

Progress

We have received confirmation of our booking for our Headquarters, which is the Canning Agricultural, Horticultural and Recreational Society Exhibition Hall located on the corner of Albany Highway and Station Street in Cannington.

Registration, run commencements and evening meals will all be at these headquarters, which we feel will be less confusing than having to travel to separate locations.

We must inform you however, that Western Australia differs from the most of the rest of Australia in that we do not have the same licensing laws and as a consequence are not able to offer catering or bar facilities in house.

Therefore , for SATURDAY and SUNDAY , evening meals will be **BYO ALCOHOL** and **COOL DRINKS** . Plastic cups (tumbler style) will be available.

As with previous AOAs Tea or Coffee will be freely available for the times spent at Headquarters.

Accommodation

Have you booked yours yet?

Please be aware that WA Government school holidays (after the 1st term of 2009) start on the 9th April 2009 and finish on the 28th April 2009.

Displays

As mentioned in Newsletter #2, one display is to held in Whiteman Park.

Our second display on Sunday is to be held on McCallum Park, alongside the Albany Highway Causeway which crosses the Swan River East of Perth, and offers partial views over the river, of Perth City.

Registration and Options forms

We must apologise at this time, as we are not yet able to circulate these forms as promised previously, however, they will be included in our next Newsletter which we anticipate will be in early 2008.

Remember

AOAs are held to celebrate THE AUSTIN and ALL Models, shapes and sizes from 1905 onwards are welcome.

To that end, on each of our runs we are planning three differing courses to cater for the slower, moderate paced or faster cruising cars.

We will be asking for your nominated category on our registration form so you won't feel you have to have a 'Heavy' foot, or ride the brake all the time!

Until our next contact we, the Organising Committee for AOA 2009, wish all prospective attendees the Compliments of the Season and trouble free Austin motoring, especially for those who will be driving to our Golden State.
